Immerse yourself in a fantasy action RPG that offers a variety of classic fantasy and action elements, which are rendered in an unprecedented 3D graphic style. A VAST WORLD FULL OF EXCITEMENT • A vast world with open fields and dungeons, where you can freely walk and fight. • In addition to dungeons, you can enter 3D dungeons found in many places, such as the underworld. • As you explore, the joy of discovering unknown and overwhelming threats await you. • Battle against vicious monsters as you raise your level. ■ Battle Against Monsters as You Raise Your Level You have the option of choosing between fight and flee. During fights, a real-time camera viewpoint shifts based on the size of the enemy and your personal skills. Raise your character level by defeating enemies, for example, and the character will be more powerful. ♦Character Skill Level Raising System Use the items available at the shop to unlock new skills for your character. The player will be able to customize their unique skills, and there are various kinds of items that can unlock new skills. ♦Higher Character Level = Greater Rewards The deeper you get into the game, the more difficult the monsters become. The rewards you receive while playing increase as your level increases. • Famous Characters from the Game “Grim Dawn” Reimut Ausferd, the character voiced by Mainichi Tanaka (“Dragon Quest VIII”), the official trailer, and downloadable content will be added. ADDITIONAL INFORMATION ■ Recommended System Requirements - Display resolution: 1280 x 720 - Processor: Intel® Core™ i3 2.6GHz or higher - Memory: 4 GB RAM - OS: Windows XP (32/64-bit), Vista - HDD: 26 GB (free space) ■ It is recommended to use an OS that has a minimum of Windows Vista (32/64-bit) to use the game. ■ If your display is using ATI graphics card, please note that the rendering will be slower and the game will have more instability. ■ The following content may not be included. - CG: A home version of the opening CG and an opening song - There are a number of monsters, items and other content that have not been mastered. - In addition to the content items I stated above, please note that there may be content that requires a memory card or external HDD to be able

A variety of Attractions and diverse battles.
A wide selection of premium memberships to increase difficulty.
A promising melody throughout!

Elden Ring has the following disclaimer:

- Elden Ring has a large text file of more than 800,000 words. Because of this, it is not recommended for players with low reading comprehension.
- You can configure an appropriate difficulty level for you, depending on how much time you have to spend on the game. If the present game difficulty is too hard for you, remember to lower the difficulty level after you play the game.
- The game has no bugs of the type that requires a reboot.
- The game can be completed within a short period of time.
- Elden Ring includes major and minor items, that is, items that affect your progress and items that do not affect your progress, respectively. You can freely equip or unequip items, even items that do not affect your progress.

Please note that the main character is a male protagonist.

Cases where a user attempts to scam others may be prosecuted.

- Inclusion of the game may result in nothing more than a harassment penalty.

•We greatly appreciate it when you use this game as a legitimate means of expressing your imagination. Please do not use this game as the basis for illegal activities or improper online communications. We strongly advise you not to open proxies or VPNs, which can greatly impact your online environment.

- If you use
