A new fantasy action role-playing game. A game in which you continue the story of the Elden Ring. A world where the northern sea once flowed freely and the southern sea became imprisoned has been frozen over for centuries. Only the Lands Between, made up of solid land and polluted sea in the middle, remains. This time, the Lands Between fall into chaos. Monstrous insects called Khim'et sprout up from the sea. At the borders of the Lands Between, there appear mysterious orbs that continuously suck in sailors. A great darkness spreads, and the northern sea and southern sea retreat into the Lands Between. Halfway across the world, a boy named Tarnished set out on a journey to clear away the darkness. A new legend in the Lands Between is beginning. Tarnished, a young man of the lands, has been invited to join the legendary group of heroes called the Elden Ring. Along with his childhood friend Lathriel, Tarnished joins the legendary adventurer group. Upon reaching the southern sea, the two meet Fandric, who is searching for the ruins of an ancient civilization. The three set out to restore the southern sea. Tarnished is an orphan. He runs away from the orphanage when he is twelve years old and joins the League of Agony, a piracy organization. During the course of his life, he trains his body for combat and manages to acquire an Elden Ring. Now the lands have become familiar to him, and the Lands Between beckons to him anew. What is the mystery behind the southern sea? Is the darkness spreading from the Lands Between leading to an even greater catastrophe? A stirring story of power begins in the Lands Between. → Play now at www.el-game.net → ABOUT ELDEN RING El-Game is a new fantasy action role-playing game born from the results of a collaboration between game experts from around the world, and supported by the Japan Creators Association.
