Game Specifications Platform: Nintendo Switch Genre: Soccer Publisher: Electronic Arts Developer: EA Canada Ouya's big bet on the living room is in trouble. The company announced last week that it will close operations and lay off its entire staff, with limited employees being retained to assist with the transition. While Ouya's business has been derided as a victim of its own over-saturated category and a platform that's been doomed from the beginning by Sony and Microsoft's superior consoles, the company's odds of survival now appear to be less than 10%. Hugh Alwood, founder and CEO of games studio Curve Digital, gave a lecture at the Develop Conference in Brighton last week that was all about Ouya's development philosophy. He said that the company made a big mistake in launching an open platform and suggested that it should have focused on creating a niche that people wanted. Alwood said: "If you look at Ouya it was really poorly thought out. I've worked on two other open platforms before. You build a core, and then you build a platform. This

## **Features Key:**

- New Ball Physics - Players collide with the ball in much tighter space due to intelligent back-bone movement. Choose from 1 kit for each match.
- Improved Player Skill - Players are faster and want the ball more. Balance skills with experience level, and try to get your hands on those top trophies first.
- New running/jumping animations - Play a more physical game style, keep that ball control with better over-the-top jukes and tricks.
- Speed and Stability improvements - High speed and 4K abilities will come to FIFA - give you the edge.
- 3D Player Interaction - Keeps everything feeling great from head-to-toe, FUT is one of the most authentic

- 
- and exciting ways to play.
- Re-Tuned Pass Controls - Passers have a new touch behavior and new pass type animations.
  - Referee Determination - Play a better game of football, as opposed to an officiating nightmare.
  - Facial animation - The animated stadiums and crowd adds an authentic feel, look, and sound to the game.
  - EA SPORTS Football Club
  - Enhanced FIFA Ultimate Team (FUT)\* & Arena Team Management (ATM)\*\*
  - Offline Season Mode

## NOTES for Fifa 22:

.

News == DX11 High-Resolution Image and HDR Done Right [DX11]

**Last month, Nvidia showed off Fiji running in DX11. The company also demoed "Max Streaks," artificial intelligence that decides whether or not to make a player crash and burn. In FIFA 22, similar technology will result in skidding shots being more difficult to avoid. Currently, FIFA 22:**

- DX9 / DX10
- Pure Digital Audio
- HDR?

"FIFA" is short for "FIFA Soccer" and is the most successful sports game ever made. The series has been a worldwide phenomenon since its debut on the Sony PlayStation in the year 1992 and has sold more than 200 million copies as of 2013. Eternal youth As the 13th FIFA World Player of the Year, Cristiano Ronaldo can also be regarded as the "legendary footballer" of the world. FIFA 19's "All-Time Greats" featured the Portuguese star to match the achievements of legends like Lionel Messi and fellow Ballon D'Or winners Karl-Heinz Rummenigge and Johan Cruyff. The All-Time Greats For the first time in the history of FIFA, EA SPORTS presents a list of the "All-Time Greats", a landmark of top athletes in which no player from the present has featured. The FIFA Ultimate Team experience An exclusive feature called "The Journey: Game Days" allows you to experience what it feels like to be a real-life player. Playing as a professional footballer, you will be able to train, recover and recover in the training room, receive press conferences from rivals and complete the last lap of your career in real time. FUT Champions During the Game Days "The Journey" you will be able to enter the ultimate Football Club, which is based on the FUT Champions concept. To win the FIFA 20 FUT Club Championship, you will have to represent any of the official FIFA clubs, rank in the top 100 players in the world and control the football matches of your team. Player Impact Engine The Player Impact Engine reveals how every player reacts when they come into contact with another player. The more a player suffers when in contact with the player he is interacting with, the more suffering he inflicts. The engine reveals a new characteristic for the players to score a goal by the deflection that a player leaves. The amount of force the players exert to leave the ball and the weight of the player determines the severity of the impact. The ball that is running at
