Features Key:

A Mythic World to Immersively Experience | Action RPGs is Focus The fantasy action RPG with beautifully hand-drawn 2D graphics was designed to appeal to fans of fantasy action games who want to enjoy a much wider world of play, where a large number of components interact together, and a thrilling adventure is promised.

Customization of Play Style and Equipment Choose your own play style and self-develop your character, by fitting items, skills, and weapons to your preferred play style. By combining a diverse set of equipment, items, and skills, you can form a more effective combination and create a game experience unique to yourself.

Choice-Based Game System Choose from two types of characters, which takes into account your play style, play equipment, and item selections.

Hours and Hours of Adventure Walk safely and fight alongside powerful adventurers in epic battles.

Mythic Craft's Features:

- **Active and Distinct User Interface:** Developed with a unique user interface that provides more vivid image presentation, easy control, and sharpness.
- **Full-Screen Mode:** You can enjoy full-screen, providing a more comfortable and immersive gaming environment.
- **High Speed:** Introducing a high speed system and refined rendering technology has enabled your gameplay to run at a brisk pace.
- **Line-of-Sight Scattering:** Not only are the camera and spell effect systems implemented, but the camera system also allows the player to just enjoy a gorgeous display of rich scenery and engage in a fierce battle.
- **UI Controls Adaptive to Game Environment:** With full-screen mode, the UI always adapts to the game environment, leaving you free to enjoy the game and easily quit the game.
- **Easy Character Movement by a Simple Control System:** Simplicity is valued in high-degree action RPG play; as a result, the movement of the character has been highly refined, with smooth control. There are two types of control; the first is a grid where you move the character along the line and the second is a key that you can draw to move the character in a diagonal direction and can be used to zoom in and out.

===== INDOOR CAMPUS "ART OF FIGHTING" GAMES is a world-class platform which provides a large amount of online in-game goods that are available through an item exchange shop. Although the items sold in the shop are from an effective development team, they are not necessarily officially marketed items. In addition to the shop, there is a place where player-character skins and special items such as weapon pieces and chest coupons are dealt. On this site, a player character's appearance is adjustable (size, gender, hair, eyes, and eyes color), and two different appearance slots can be used. THE BEST QUALITY OF CUSTOMIZATION. [Customized appearance] With a variety of customizable elements, there is no dull customization. Color, cosmetics, eyebrows, and hair can be combined in various ways and placed on the body in various forms. [2 Player character appearance] Character appearance can be customized by two players to make them the most different. The player character is taken from

two of the two character slots that can be selected, and all of the elements listed above are added. [Best item exchange shop] Item exchange is possible with other players by joining the guild of "Art of Fighting" and purchasing items from other players. The items are purchased by the currency called "BRAINS". BRAINS are earned in the game by killing monsters, and are used to purchase items from other users and sell items in the shop. In addition, BRAINS can be used to exchange for other user's items and to have "UNI-SALE", the system where items from users who have not used their items for a certain amount of time are sold for a discount. The items can be traded with other users in the shop, or can be sold directly to server shops. How to access the item exchange: 1. In game, log in. 2. An in-game message will appear.
