Ultimate Tour Pack for PlayStation 3 or Xbox 360! Please note: This Buy is licensed in the USA and Europe. The third game in Activision's Destroy All Humans! series, Destroy All Humans! 2 raises the ante on the original's dangerous creations by letting you cook, freeze, and fry the murderous humanoids in an expansive, open-world environment. Players can adopt multiple characters of different size and gender to play as and complete the game seamlessly, using animals, vehicles, and fireworks to help defeat and dissect the cunning creatures of Earth, thus saving the future of humanity. They can also change the way in which the controller is held—either the typical shooter posture, or the "snap one's fingers" pose popularized by the Mortal Kombat series. Instead of using a specific weapon, most characters use a combo-system that includes an assortment of weapons, including haystacks, trucks, and batwings. Destroy All Humans! Ultimate Tour Pack includes original Destroy All Humans! and its two expansion packs, Ultimate Tour and Ultimate Tour 2, plus all five playable character classes from the previous two titles, Wild Boy, Psychobilly, Roadrunner, Pteradactyl and Ollie. Destroy All Humans! Ultimate Tour features 20 new locations, and up to 60 unique destructible environment objects. In addition, players can customize the character with six extra clothing options (like rektaz pants, Monster Kid mesh pants, and hair dye) that are unlocked as the game progresses
